## WE'LL ALL BE AT BIG DANCE FOR OUR BEST TIME

**All Citizens Should Bend  
Every Effort To Journey  
To Tanforan Club House  
Tomorrow Night For The  
County Wide Celebration**

Several thousand humanitarian citizens from Daly City and other parts of San Mateo County will gather at Tanforan club house tomorrow (Saturday) night for the annual President's Birthday Ball to raise funds for the war on infantile paralysis.

With one of the bay region's most popular dance bands — Ernie Hecker and his Stanford orchestra — furnishing the music, and prominent night club stars featured in a gala floor show, this year's county-wide celebration will be the greatest ever held on the Peninsula, according to General Chairman Joseph V. Gaffey.

A portion of the proceeds will be retained in San Mateo County for treatment and prevention of infantile paralysis and the balance will be turned over to a new national fund for fighting the maiming disease.

Joe Cuneo, popular entertainer, will be master of ceremonies and Bradford Melvin, prominent San Mateo and San Francisco attorney, will give a brief address.

With dancing starting at 9 p.m. and continuing until 1 a.m., the spectacular floor show is planned for shortly after 10 o'clock. Prominent night club artists, who have donated their services for the ball, will include Dorothy and Leona Clifton, specialty dancers, Mel Peterson, vocal soloist, and Genevieve Wanda, in "Songs and Dances of the Isles," from the Royal Hawaiian; Senorita Anita Aguerro, "Spanish Nightingale," from the Club Moderne, and Birdie June Preston, formerly of the Folies Bergere, from Uncle Tom's Cabin.

From Stanford University will come stars of the 1937 Gayeties.

## WILL CONVEENE LEGISLATURE IN SPECIAL MEET

**Amendments To County  
Charter May Be Ratified  
Making Six More Offices  
Elective Here**

In an interview at Los Angeles, early this week, Governor Merriam indicated he expected to convene the Legislature in special session about March 1.

The body will be asked to act on the following measures:

Leasing of state-owned oil pools under state-owned lands.

Appropriation of \$100,000 for the industrial accident commission.

Housing legislation to enable the state and municipal corporations to take advantage of provisions of the federal housing act.

Revision of the agricultural pro-rate act as it affects prunes.

Governor Merriam said bills affecting these subjects are being prepared and will be ready when the Legislature meets at Sacramento.

He indicated relief and taxation would not be subjects included in the special session's agenda.

The special session is of particular interest to San Mateo County, because it will enable ratification of the charter amendments adopted by a large majority last year, making the offices of county executive, coronator, engineer, tax collector, recorder, and treasurer elective. Once these amendments are ratified, these offices will be filled by county-wide vote at this year's regular elections.

## First Lady Speaks In San Francisco

It has been announced that Mrs. Franklin Delano Roosevelt, wife of the President, will speak in the Civic Auditorium in San Francisco, March 14. The program is to be nonpolitical, on the subject of "Peace." Mrs. Roosevelt has just published a book entitled "This Troubled World."

A citizens' committee is being formed to sponsor Mrs. Roosevelt's visit.

## Shanghai Publishing House Left In Ruins After Bombing

Left in ruins, this building, once the home of the Commercial Press in Shanghai, is shown as it appears after fierce bombing and shellfire which raked the city during the last several months. The Commercial Press was China's largest publishing house and is located in the Chapei section of the Oriental metropolis.

## FREE BUSES TO BRING VISITORS HERE FROM FAIR

**County Expects To Maintain  
Representative At Exposition  
Next Year To Route  
People Here**

Free personal tours of San Mateo County for visitors at the 1939 San Francisco Exposition will be provided if present plans of the Board of Supervisors materialize, Supervisor Fred E. Beer told Peninsula gardeners Tuesday evening.

Speaking at the annual banquet of Peninsula Gardeners Association at San Mateo, Beer revealed tentative plans to keep the 2-cent tax levy for the fair on the county assessment rolls next year.

This levy would provide a sum of about \$20,000, which, with the addition of expected contributions, would form a fund whereby the county representatives at the fair could send down sight-seeing buses to tour this county, showing the fine homesites and other attractions.

## Rabies Situation In Daly City Explained

The third recent case of rabies in dogs was investigated by the Daly City health office last week end. The animal died after a short illness. The head was taken to the state health laboratories for examination, and the report came last Monday, January 24, that rabies was evidenced by the inspection.

The disease is absolutely fatal to humans and animals, unless very early and strict efforts are taken to prevent it. The situation is so serious that the City Council passed an emergency ordinance to take effect immediately from the first week of January, 1938. This ordinance was passed to protect both citizens and animals from threat of rabies now prevalent in our community. The ordinance gives the poundmaster and all police officers the power to impound or destroy all dogs found at large on the streets. These officers have carried out the requirements of the ordinance and will redouble their efforts to enforce it more strictly in the future.

No dogs are to be allowed on the streets. The only dogs that can roam

## Attend District Press Luncheon

Among those who attended the annual Seventeenth District Press luncheon, representing units and newspapers in the northern section of this district, were the following: Mesdames Marjorie Woodside, Stella Jensen, Otha Kinsey and Julia Jordan. The representative of the Daly City Record and Brisbane Sun, Mrs. E. R. Bolger.

## YOU'LL FIND IT ON PAGE FIVE

Several days ago the members of the Experienced Housewife Club wrote letters to various cities in Wyoming asking for characteristic cooking formulas and information about the communities in which these recipes originated.

Cheyenne furnished the material for the first story and the recipes appearing elsewhere in this publication.

## BREAKS LEG AGAIN

Ernest Cuneo of Peoria street, who recently returned home from Mary's Help Hospital, in San Francisco, after being a patient there for twelve weeks suffering with a broken wrist and ankle, had the misfortune to fall down the stairs of his home last week, breaking his leg just above the recently fractured ankle. This made it necessary to have the leg put back in a cast.

## CO-ED'S SHIRT SAVES 4 LIVES

Connie Bohoskey

Connie Bohoskey, attractive sophomore, who with three others recently was saved from death by freezing after they became separated from their party while on a skiing trek in the High Sierra near Yosemite. Meal tickets from Yosemite Lodge were used by the four to start a fire; later Miss Bohoskey volunteered her ski shirt to keep the fire going. The others lost were Ruth Pease, Stanford sophomore, and Arthur Waterman and Bob Peyson, both Stanford seniors.

## FIRST AID WORK DEMONSTRATED TO GIRL SCOUTS

**Reach Decision Merit System  
Should Prevail When  
Choosing "Queen"**

K. Petersen, captain of Company No. 1 of the Daly City Fire Department, assisted by J. Kapor, lieutenant of the same company, gave a first aid demonstration and talk to a large group of Girl Scouts at their troop meetings, Saturday evening of last week.

Fitting his talk to the age of his listeners, Mr. Petersen gave the Scouts of Troop 2 first aid advice, which may prove invaluable if the occasion should occur for its use on the many hikes and field trips participated in by the girls. By showing the existing dangers, and by stressing the need for the prevention of carelessness while skating and bicycle riding, Mr. Petersen disclosed the fact that safety measures are the earliest steps to first aid.

After the first aid demonstration by the firemen, the Girl Scouts spent the rest of the evening sewing and learning to make practical articles which they plan to exhibit at the "Festival of Youth" to be given in April.

The difficulty of choosing candidates for the honored place of "Queen of the Festival" was eliminated when the girls decided that the merit system of giving the girl who sells the most festival rebate tickets the regal honor and the right to wear the golden crown should prevail.

Scheduled on Troop 2 calendar of events is a nature study discussion, tomorrow evening; a hike to Thornton Beach on February 5, and a doughnut sale on February 12.

## Struck By Auto— Cut And Bruised

At the intersection of School and Mission streets, Miss Agnes Mary Gionie of 162 Park avenue, while driving out Mission street in her car, felled to the pavement Louis E. Smith of 1941 Mission street.

The injured man was taken to Junipero Serra Hospital, where he was treated for cuts and bruises.

The accident occurred at about 11:55 p.m., Sunday of this week.

## Attend Convention Of Newspapermen

The fiftieth annual convention of the California Newspaper Publishers Association convened in Riverside, Friday, Saturday and Sunday of last week, with headquarters at the historic Mission Inn.

The editor of the Daly City Record, W. E. Pitschke, and Mrs. Pitschke attended the business meetings, returning Sunday on the Daylight Limited.

## REFRAIN FROM TEMPTING TO DOUBLE PARK

Are you ever tempted to park double on a business street? Usually it is done as a momentary convenience in order to save a few steps or a few seconds. Do you realize that many preventable accidents are caused by this selfish and illegal practice?

Double parking is dangerous. It blocks traffic and inconveniences other drivers. It obstructs the view of motorists and it irritates the other fellow, thus making him a less dependable driver.

Double parking forces other cars into the opposite line of traffic which it does not actually cause an accident, is confusing to everyone. Think of this the next time you are tempted to save a step by stealing safety.—San Mateo County Traffic Safety Commission.

## TWO CAR CRASH RESULTS IN FIVE PERSONS INURED

**One Driver Is Arrested And  
Placed Under Bond And  
Charged With Recklessly  
Driving**

A two car crash, which occurred Sunday evening of this week at 11:25 o'clock at the extension of the Skyline boulevard intersection of the Junipero Serra boulevard, resulted in injuries to five people.

Ernest R. Brickdale of Sharp Park, who was on his way to work, was one of the drivers and was seriously injured. The other driver, Vincent Arthur Thompson, 2502A Clay street, who sustained a broken right arm, was placed under arrest on a charge of reckless driving and bail was set at \$100.

The passengers in the Thompson car who were injured were Miss Rose Warren, 26, 41 De Wolf street and her father, Sidney Warren, 64, 3044 Alemany boulevard. The Warrens were treated at the Alemany Emergency Hospital; and Joe Leet of 55 Lee avenue was treated at the Villa Hospital.

Brickdale is in the Junipero Hospital. The driver arrested was given hospitalization at the Villa Hospital, where he still remains at present.

Both cars were badly damaged and were taken to a local garage for repairs.

## ELECT OFFICERS OF ORGANIZATION FOR RECREATION

**New Activities Being Devel-  
oped Under Project Spon-  
sored By Daly City**

With every member present, the Daly City Recreation Commission met for the first time, Monday afternoon of this week, and elected James Ferguson, principal of Jefferson Union High School, president, and Mrs. Mazie Boyle, prominent in P. T. A. circles, secretary of the commission.

Following the election of officers, a general discussion of the recreational needs of the community and the needed program for meeting this desire occupied the members of the commission. The members of this group are, James Ferguson, president; Mrs. M. Boyle, secretary; Mrs. Ann Eason; R. Crane Jr. and Mayor Paul Selmi.

Through the courtesy of Adolf Fischer, recreation leader for soccer, hockey and chess, several boys of Daly City were guests of the California Football Association at Ewing Field, last Sunday afternoon.

They were spectators at the game which gave the Verdi Club victory over the Olympics, the Verdi's teamwork being the outstanding feature of their play.

The Vista Grande Park is now being prepared for a full season of activities, recreation leaders and aids having been assigned to the local recreational project.

Development of the newly acquired recreation area at Acton and Brunswick streets is planned, use of this space for children's apparatus to be the first work in this locality.

Soccer practice will be instituted this week and girls handicraft displays will be made up for the opening of the recreation centers throughout the city. Among those assigned to the recreation program as leaders are, Mrs. Minnie Chappell, to the children's division of the local recreation; Lee Lopez and Allan B. Gould, boys sports and athletics.

## Sheriff McGrath On Road To Recovery

"Sheriff McGrath is getting along fine. He spent a very comfortable night and is feeling himself today."

This was the report from the Stanford University Hospital in San Francisco, where the popular San Mateo County peace officer has been since Friday after suffering severe neuritis pains in his left arm and shoulder. Sheriff McGrath is undergoing a complete physical checkup while hospitalized.

It was stated he is suffering with a slight heart attack.

## APPLICATIONS FOR ELECTION OFFICERS NOW BEING SOUGHT

Pursuant to resolution adopted by the Board of Supervisors, the responsibility of compiling lists of precinct polling places and election officers is now the duty of the county clerk.

Although it is several months before the county primary election, August 31, yet, since there will be so much detail work to handle during the last forty days preceding the election, W. H. Augustus, county clerk, announces that he will now receive and file applications from persons who wish to serve as election officers.

Formal applications are unnecessary, although blanks are available at the clerk's office. Augustus states,

## Rosamond Pinchot Held A Suicide

Rosamond Pinchot Gaston

Rosamond Pinchot Gaston, 32, niece of former Governor Gifford Pinchot of Pennsylvania and star of the stage, who was found dead, a victim of carbon monoxide gas, in an automobile on a fashionable Long Island, N. Y., estate, which she had leased. Authorities declared a hose had been attached to the automobile exhaust and run into the sedan. In the famed spectacle play, "The Miracle," she co-starred with Lady Diana Manners in role of the nun.

## LOCAL NEWS OF DALY CITY FIELD

Albert Hoar Sr. of Hillcrest Drive has been seriously ill with influenza, but at this present writing is improving slowly.

Mr. and Mrs. R. Foppinano and son Buster of Evergreen avenue and Mr. and Mrs. Gus Holmberg of Peoria street motored to Petaluma, Wednesday of this week, where they spent the day visiting at the home of Mrs. Holmberg's sister.

Miss Mildred Wegner of Oakland and Mr. and Mrs. W. A. Birg of Vallejo spent last week end visiting at the home of Mr. and Mrs. N. Wegner of Crocker avenue.

Mrs. Sarah Nortgren of Peoria street was tendered a surprise birthday party in the lunch room of the General Pershing School, Thursday of this week, by the lunch room committee. A special birthday cake was the table center. The honored guest received some very nice gifts.

Mrs. H. Tobelman of Hanover street entertained at a luncheon party, Tuesday of this week.

Mrs. Frank Rauh and little daughter of San Francisco were guests of Mrs. Fred Silicani of Colma, Tuesday of this week.

Mr. and Mrs. T. C. Mehan of Risel street entertained a group of friends for an evening of cards, Saturday of last week.

Mrs. A. Hansen of Bepler street returned home, Thursday of this week, from St. Mary's Hospital. Her many friends will be happy to hear she is greatly improved in health.

Mrs. Milton Linhares returned to her home on Liebig street, Monday of this week, from St. Mary's Hospital with her six pound daughter, born Saturday, January 15. The little miss is the granddaughter of Mr. and Mrs. Lucio Linhares of Los Banos avenue.

Mr. and Mrs. J. Hendrickson and W. Lynch of San Francisco were dinner guests, Sunday of this week, at the home of Mr. and Mrs. P. Dormoy of Mission Circle.

Mrs. A. Wright of Bepler street has been on the sick list for the past week, suffering from a severe cold.

William Cashman, who made his home with Mr. and Mrs. T. Montgomery on Los Olivos avenue, passed away Saturday of last week at a San Francisco hospital. Funeral services were held, Tuesday of this week, from W. C. Laswell Mortuary and cremation was at Mt. Olivet Memorial Park.

A notice of intention to wed was filed in San Francisco, this week, by Angelo Severo, 48, 118 Siskies avenue, and Amalia Morielaz, 46, Daly City.

## Pauline Frederick Back To Legitimate

The return of Pauline Frederick to the legitimate stage is an event of importance for she has always been a great favorite and can be depended upon to give the fullest of pleasure in any portrait which she draws. The announcement that Miss Frederick will come to the Curran Theater, San Francisco, opening on Monday, January 31, in the London, England, success "Suspect" has aroused great enthusiasm.

Arthur J. Beckhard, who has established himself in the past five years as one of the most astute producers and directors, is presenting Miss Frederick in "Suspect." The play is a murder plot, but not a mystery. Rather it is a psychological study of people involved in a murder case. For this reason, it is not proper to reveal the story of the play, but it can be relied on that it will have one of the most unusual and effective twists that any play has had in years.

For the support of Miss Frederick, Mr. Beckhard has assembled a splendid cast, including Grayce Hampton, Morton Lowalter, Virginia Barnato, Raymond Lawrence, Russell Hicks and William Griffith.

## Matron Is Honored At Surprise Party

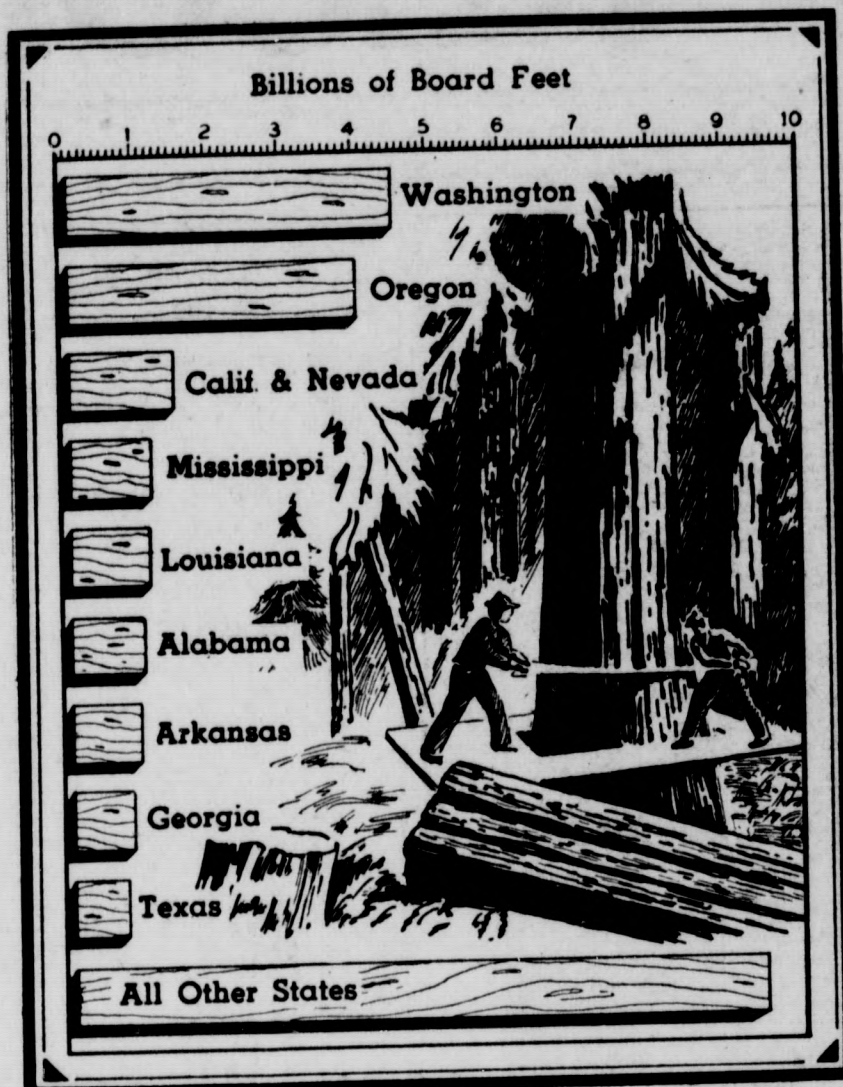

Mrs. R. Kramer of Hillcrest Drive was guest of honor at a surprise birthday party given, Wednesday evening of this week, at the home of Mrs. Bobu of Forty-eighth avenue, San Francisco.

Cards and dancing were enjoyed during the evening.

The table was prettily decorated in pink and green crepe paper and lighted candles. A huge birthday cake occupied the center of the table.

Those attending were Mesdames Mae McGill, Pearl Perry, Tessie Menicucci, Mable Knight, Manny Menicucci, Frances Foster and Anna Fehler and Miss A. Fehler.

## WEST LUMBER OUTPUT TOPS U. S.

Washington, Oregon, California and Nevada cut approximately 42.2 per cent of all lumber produced in the United States in 1936, according to a survey made by the Bureau of the Census in co-operation with the Forest Service. The Western states were by far the largest producers of soft wood, while Southern states led in hardwood output. A comparison of lumber production by each state is shown in above chart.

## Millbrae Dairy Announces Transfer of Distributing Routes To Borden's Dairy Delivery Co.

In a statement to its customers today the Millbrae Dairy announces the transfer of its milk routes and distribution of dairy products in San Mateo County to Borden's Dairy Delivery Company, effective at once.

The milk now being produced on the Millbrae Dairy has been contracted for by Borden's Dairy Delivery Company.

Commenting on the move which brings together three pioneer dairy firms, of the West, G. S. Perham, president of Borden's Dairy Delivery Company, and son of one of the pioneer dairy men who founded that company, stated:

"Our company is proud to have the Millbrae Dairy ranch produce milk for us. The members of the Millbrae Dairy organization engaged in the processing and distribution of their milk are being added immediately to our payroll.

"The members of our organization accept this added responsibility and obligation to supply residents of San Mateo County with safe, wholesome dairy products."

This move unites three pioneer dairy firms that have helped build the West. Gail Borden, founder of The Borden Company, was a leader in establishing the Republic of Texas, and in 1835 founded the first newspaper to be printed in Texas. He later developed the idea of condensing milk with sugar and in 1857 was granted a patent on his idea. The Borden Company established its first condensery on the Coast in 1904 and united with Dairy Delivery Company in 1929 in the production and distribution of fresh dairy products and ice cream in California.

In 1906 fire and disaster hit San Francisco. Eight pioneer dairy men pooled their milk at the Daly Ranch,

now Daly City, and for ten days gave their milk to refugees and homeless of the fire-swept city.

This milk was delivered in person by Irving R. Daly, now secretary and treasurer of Borden's Dairy Delivery Company, on a team-drawn wagon under a regular army guard to points designated by the Red Cross.

These pioneer dairy families were also drawn by the lure of gold. William Haley and his family of four sons crossed the plains in 1850, stopped at Chinese Camp, then came on to San Francisco and began to distribute milk there in 1852. In 1865, the Haley family established the Laurel Dale Dairy in the Marina, and their cows grazed in the Presidio.

John Daly, father of Irving, came to California in 1851 by way of the Isthmus and began producing milk on a ranch adjoining the estate of D. O. Mills. The family also produced milk on the Burr Ranch, the present site of the California Golf Club, and on the Blackhawk Ranch, the present site of Easton.

From 1860 to 1906 the Daly family also had a ranch for producing milk on the present site of Daly City.

Isaac Stone started Stone's Dairy at the present location of Bayshore boulevard and Cortland avenue. His grandson, John B. Stone, is now manager of Borden's Dairy Delivery Company in San Francisco.

The grandfather of G. S. Perham, president of Borden's Dairy Delivery Company, came to California in 1849 by way of the Isthmus of Panama and started distributing milk in 1862 on the site now known as Buena Vista Terrace. His father, George L. Perham, was named the first president of the Dairy Delivery Company when it was formed in 1906 and served until his death in 1915. These

among them Robert Forbes, pianist and composer, whose music has been featured over the radio by leading San Francisco hotel orchestras; Ardis Davis, attractive brunette soloist, and Wayne and Dwight Zook, comedy acrobats.

The Tanforan club house has been elaborately decorated by the American Legion post of San Bruno; there will be adequate parking space, and supervised cloak room facilities for 4000 persons will be available.

Sponsors of the celebration include the Board of Supervisors, mayors of each city in the county, Superior Judges Maxwell McNutt and Aylett Cotton, School Superintendent Pansy Jewett Abbott and other prominent citizens, including Mr. and Mrs. Joseph Garibaldi and Mr. and Mrs. Frank Garibaldi and Mr. and Mrs. Joseph Alteri of Colma.

Tickets, popularly priced at 75 cents each, may be secured from committee members or at the club house the night of the ball.

Herbert Rosenthal of Council Bluffs, Ida., arrested for speeding in a truck, was sentenced to write "Delivery boys drive dangerously" 3000 times.

four pioneer dairy families together with Charles Benedict, George Sneath, William Haufe and George Smart, were the founders of the Dairy Delivery Company, and the third generations are active in its present management.

When the discovery of gold in California was announced, 90 years ago this week, it attracted Darius O. Mills, a young banker born in Manchester County, N. Y. He landed in San Francisco in 1850 and went promptly to the Gold Country, establishing a large merchandising house in Sacramento and securing vast holdings in the Comstock mines. Mills built the 50-mile Virginia and Truckee Railroad in Nevada and later took the lead in building the Central Pacific Railroad eastward from Sacramento to meet the Union Pacific near Ogden, Utah, in 1869.

Last year, Old No. 22, the wood burning locomotive from the Virginia and Truckee Railroad, was driven under its own power to Hollywood to lend its touch of days gone by to the current motion picture hit, "Wells Fargo."

In the '70's the production of milk was started by Mr. Mills on the estate he had established in Millbrae. He brought the first eucalyptus trees from Australia to beautify the estate. Now these three pioneer dairy firms are united as one.

## DALY CITY POST IN INITIATION OF LARGE CLASS

Daly City Post No. 410, American Legion, held its regular meeting in Eagles Hall, Wednesday evening of this week. A large class of candidates were initiated into the American Legion by the state championship ritualistic team of Zane Irwin Post No. 93. The ceremonies were impressive and the principles of the organization well exemplified.

The most interesting speaker of the evening was Tom Howard, governor of the Boys State, held at Sacramento last year. His description of the activities gave everyone present a vivid picture of the setup

of our state government.

T. Louis Chess, an outstanding Legionnaire and the organizer of this post, presented Past Commander Harry Andersen and Adjutant Lesley Hill cards from the National Commander, in recognition of their outstanding services in the Legion last year.

Other speakers of the evening included District Commander Lee Williams and James Ferguson, principal of Jefferson Union High School. Guests included Alice Reilly, president of Daly City Unit; first vice commander of the district, Cleo Miller; R. L. Crane, sous grand chef of the 40 & 8; Larry Reilly, chef de gare of the 40 & 8; Floyd Granger, second vice commander of the district; C. H. Whitney, past district commander; Alex Albertus, commander of Old Glory Post No. 2044, V. F. W.; Rene Brulez, County Council commander of V. F. W.; John Vogt, Marcia Trier, Dan Daneen, Mayor Paul Selmi and Councilman Henry Sunderman.

Pictures of the Golden Gate Exposition were shown and refreshments were served after the meeting.

## Popular Young Man Dies In Cleveland

John D. O'Brien of Willets street received word, Thursday afternoon of this week, that his brother Edward O'Brien of Seattle, Wash., who recently went to Chicago for his firm as Western Division manager, had passed away in Cleveland, Ohio, where he was attending a convention.

Mr. O'Brien left, Friday of last week, to be with the widow.

The funeral was conducted Tuesday of this week in Buffalo, N. Y., where Mrs. O'Brien's parents are buried.

Eddie O'Brien has numerous friends in this community who will mourn his sudden passing.

### JUST A CARD

Patron (to very slow waiter): Bring me some salad, please. And you might just send me a post card every now and then while you're away.—Unidentified.

## DISTRICT MEET OF AUXILIARY IS CONVENED HERE

The Twenty-sixth District of the American Legion, Auxiliary held their meeting, Friday evening of last week, in Veterans Hall, Daly City. Mrs. L. N. Zant was in the chair.

T. Louis Chess and C. H. Whitney of the American Legion were introduced. They spoke on the coming Jubilesta which the Legion and Auxiliary are sponsoring at ehhte Belle Monte Country Club on the night of February 12. There will be dancing, games and cards for those who attend, also refreshments. The money from this affair will be used to defray expenses of the Legion and Auxiliary at the national convention,

which will be held in Los Angeles this year.

Fine reports were rendered by the various chairmen.

Mrs. Dora Spencer of San Mateo was introduced to the group. Mrs. Spencer is a candidate for Martha Washington in a contest being conducted by a San Francisco paper. Mrs. Mary Winters of Redwood City, who won the Community Service award in that city, was present and received congratulations from the members. This is the first time a member of the Auxiliary has been so honored.

Refreshments were served by the hostess unit. The next meeting will be held in Millbrae on February 21, when department officers will be guests.

### CONTRIBUTIONS

Pat, Sandy and Isaac planned a picnic, and it was arranged that each was to bring something. On the day of the outing Pat brought some ham, Isaac brought the bread, and Sandy brought his family.

## ANNOUNCEMENT BRINGS TOGETHER 3 PIONEER DAIRIES

THREE names step forward from the pages of history in today's news with announcement that on the peninsula Borden's Dairy Delivery Company is to distribute the milk produced by the famous Millbrae Dairy herd. Three names—headed chronologically by that of Gail Borden, who made Texas his early home—who, with Stephen Austin, fought to establish the Republic of Texas. The second name on the roster—Darius O. Mills—who, as a young man, landed in San Francisco in 1850 to seek his fortune, to build railroads, to develop mines and to carve his name in California history.

Three names—and the last, Dairy Delivery Company—a name born two days after San Francisco's fire in 1906—a name born when eight of the community's dairymen "talked it over" and decided to pool their businesses—decided to supply milk to the people of San Francisco free of charge, until order resolved itself from chaos.

Today these three names are united. Through their union, the milk from the Millbrae herd will henceforth be distributed to peninsula stores and homes on trucks and by men who follow the pioneer traditions of Darius O. Mills, Gail Borden, and the founders of the Dairy Delivery Company. Thus it is suitable at this time to recall their pioneer achievements.

**Darius O. Mills**  
*Empire-builder and Dairyman  
comes to California*

New York in 1850 was a lousy, thriving town. But all its attractions were not sufficient to hold young Darius Mills—for California was calling, and the call was gold! By every means of transportation, pioneers were rushing westward. Mills came by boat. On arriving in San Francisco he headed for the gold country, and established a large merchandising house in Sacramento. His holdings soon included a share of the rich Comstock mine. He built the fifty-mile Virginia and Truckee railroad in Nevada—known to many movie-goers today, through the use of its old wood-burning locomotive, "Engine No. 22," filmed in the current hit, "Wells-Fargo."

Mr. Mills' railroad led him next to take the lead in building the Central-Pacific railroad, eastward from Sacramento to meet the Union Pacific near Ogden, Utah, in

1869. A few years later, he acquired the land on which now operates the Millbrae Dairy, and in the '70's milk production was inaugurated. In those days the countryside 'round about was barren of trees of any size, and it is Mr. Mills who must be thanked for bringing from Australia the beautiful eucalyptus trees that now line our many highways and by-ways.

**San Francisco Fire prompts  
Organization of the  
Dairy Delivery Company**

Those of us who remember San Francisco's tragic days of April, 1906, will not forget the services rendered by the founders of the Dairy Delivery Company—eight in number. There was the Haley family, which crossed the plains in 1850, stopped at the Chinese Camp, and continued to San Francisco to begin distributing milk in 1852. In those days the Haley dairy—known as Laurel Dale—was located in the Marina, and their cows grazed in the Presidio. Today, John, grandson of founder William, manages Borden's Dairy Delivery Company cream plant at Gustine, in central California.

Old-timers still talk of young Irving Daly, now the Company's secretary and treasurer, driving his father's wagon from the Daly ranch—now Daly City—over long, bumpy, dusty roads to deliver milk to refugees in homes, under the protection of the regular Army and the guidance of the Red Cross.

John Daly, father of Irving, came to California in 1851, by way of the Isthmus. He was a dairyman from the outset, and his cattle grazed over land from San Francisco's city limits, south to Burlingame. In his ranches were included what at present is the California Golf Club, and the present sites of Easton and Daly City.

Now president of Borden's Dairy Delivery Company—G. S. Perham—could tell how his grandfather came to California in 1849, over the Isthmus of Panama—how 13 years later he commenced distributing milk in San Francisco. His father, George L. Perham, was named the first president of the Dairy Delivery Company when it was formed in 1906.

One more pioneer name still associated with the Company is that of John B. Stone—now manager of Borden's Dairy Delivery Company for San Francisco and grandson of the Isaac Stone who started Stone's Dairy. Other pioneer

names, not active in the Company, but long to be remembered, are those of Charles Benedict, George Sneath, William Haufe, and George Smart. These completed the roster of the eight founders.

**Gail Borden**  
*Servant of Humanity  
was Pioneer of Southwest*

Of all the men who left their mark on those early days, one—above others—can be thanked for his contribution—one who saw children starving, undernourished, for lack of milk, ill fed in those elements essential for normal child growth. Gail Borden looked around him and sought an answer—found an answer—developed the unheard of process of condensing milk, sweetening it and preserving it in tin containers so that its benefits might always be available wherever men or women tread the earth. Under the name of "Eagle Brand," Gail Borden's discovery, patented in 1857, provided nourishment for soldiers at war, for covered-wagon families crossing the plains, for men at sea, for those who like Darius O. Mills mined the earth for gold and built railroads for future generations to ride upon.

Times have changed since Gail Borden first went to Texas—established Texas' first newspaper—strove beside Stephen Austin to found the Republic of Texas. But the needs of humanity have not changed and today those who follow in the footsteps of Gail Borden, use his principles and inventions to serve today's people and to deal with today's needs. No longer simply condensed milk in cans—but a larger, greater service—one which embraces every known marvel of dairy science and invention—one which brings to every neighborhood a uniform quality in dairy products—one which in its growth has laid the foundation for many laws governing the production and protection of dairy products.

So well did Gail Borden build—so faithfully have his successors followed—that it is with deep pride that today the name of Borden's Dairy Delivery is linked with that of the producers of Millbrae milk. Three great names—one simple promise: Highest quality *always*—faithful service *always*.

*\*Special note to families now enjoying Millbrae Milk: The milkman who has been serving you is now on Borden's Dairy Delivery pay roll. He hopes to continue serving you.*

**Borden's DAIRY DELIVERY COMPANY**

## WASHINGTON NEWS

FROM OUR CONGRESSMAN  
JOHN J. McGRATH

**Court Nomination**—Justice George Sutherland retired from the Supreme Court bench and in his place President Roosevelt has nominated Stanley Reed, Solicitor General. Mr. Reed understands legal basis of the laws to be tested before the court thoroughly as he has defended the New Deal continuously.

**Increase In General Relief**—From November to December 1937 the number of cases receiving relief in 58 cities increased 17 per cent and the amount of obligations incurred for relief extended to these cases increased 18 per cent. These facts were ascertained by the Social Security Board at the request of the Senate Committee to Investigate Unemployment and Relief. Telegrams were sent to cities of more than 100,000 population and complete replies were received from 58 cities in time for inclusion in the tabulation. The population of these cities is 43 per cent of the urban population and 24 per cent of the total population of the United States.

**Upturn To Begin**—Economists believe that an upturn in business is about to begin. Industrial production low, is expected to be reached in January. In December a level of 83 per cent of the 1923-25 average was reached. This month the rate will probably be 80 per cent. The recovery will be rather slow and may meet with difficulties, but more buying is felt in commodities. While the prices of finished goods have dropped, raw materials have turned up slightly. There has been large purchases of cotton, copper and other commodities which are good signs.

**Highway Safety**—Something definitely should be done about safety on highways; instead of a decline in the highway accident and death rate, it increases. More people were killed and hurt on the highways in the United States the past year than ever before. Estimates show that 1,374,000 were injured and 40,000 were killed.

**Purchasing Agencies**—A business executive may obtain a list of government offices that purchase supplies, by writing to the Supply Branch, Division of Procurement, Treasury Department, at Washington, requesting that he be put on the mailing lists. A description of the goods he can furnish in his particular field of manufacture should be included in the letter. Purchases, contracts or authorizations to procure supplies from the government is carried on by the Procurement Division as one organization throughout the country. Each request is considered on its own merits, and names are added to the lists only on individual requests, under certain regulations which the business man will be advised of. Inquiries should be addressed to Division of Publication, room 6066, Department of Commerce building, Washington, D. C.

**Social Security Pays 53,237 Claims**—Payment of 53,237 lump sum claims was made, during the first years operation of the federal government's old age insurance system, to wage earners who had reached the age of 65 and the estates of relatives of those who had died. Each payment amounted to 3½ per cent of the total wages paid to the worker. The money paid to claimants amounted to \$1,277,516.28. The average payment was \$24. Since the earlier months of the year when the claims were for very small amounts, the average rose steadily until November when the average for the month was \$27.76. The end of the year analysis of records shows that the claims paid ranged from \$358, the amount paid to the estate of a man who had been receiving income from more than one job, to 10 cents. The claim for 10 cents was divided between the parents of a girl who had worked only one day in 1937, New Years Day, when she became ill and died. Her father, inquiring at a field

while of course it would be very small, the government would nevertheless see to it that it was paid. The father requested payment.

**New Bulletin**—Soil conservation and wildlife management go hand in hand, according to a new farmer's bulletin that explains how farmers can control soil erosion and at the same time create potential havens for game birds, fur-bearing animals and various other forms of desirable farm wildlife. The new publication, Farmers' Bulletin No. 1788, is written in popular style and freely illustrated. Copies may be obtained by writing to my office.

**New Years Resolution For Consumers** From Mrs. Roosevelt—Heading a list of 12 New Years resolutions for consumers published in the Consumer's Guide, is one from Mrs. Franklin D. Roosevelt. "I think that women as consumers should make it their business," says Mrs. Roosevelt, "to know more about the quality of the goods which they buy, and to consider the conditions under which these goods are produced. If they do this, I feel sure that many changes could be effected which would be beneficial to the general public."

**Federal Housing**—Gross business transacted by the Federal Housing Administration has passed the two billion dollar mark. Approximately \$650,000,000 of this amount was transacted during 1937. The gross total includes: Mortgages selected for appraisal, \$1,399,000,000. Large scale housing projects approved \$41,694,000. Modernization and repair notes insured, \$560,603,000. Notwithstanding the decline in construction activity during the last half of 1937, gains were recorded in the volume of business for the entire year over 1936.

### BATTERY CONDITION

Winter travel involves more use of the lights, a fact which presents the best reason for keeping the battery in good condition.

## S. F. Navy Man Now Takes Command Of The Yangtze Patrol

Admiral David McD. Le Breton

Admiral David McD. Le Breton, who was recently appointed commander of the Yangtze Patrol, replacing Admiral Edward J. Marquardt. Admiral Le Breton was chief of staff for Admiral Arthur J. Hepburn, fleet commander, since 1936. Born in San Francisco, Le Breton considers Washington, D. C., his home, because he "lives there most of the time."

## News Of Boy Scout Troop and Cub Pack

### TROOP NO. 141

Meets Thursdays 7 to 9 p. m. at Nazarene Church, Vista and Santa Barbara

(Scout Angelo Ditty, Troop Rep.)

The mothers of our Scouts and Cubs conducted a food sale at 6337 Mission street last Saturday, which netted almost \$10. Those in charge were Mrs. Anthony Laston, Mrs. John A. Mosman and Mrs. B. Nielsen. Boy Scouts Donald Laston, Lawrence Christiansen and Edward McIntosh and Cubs John Mosman, Wallace Nielsen, Henry and Warren Hertig and Milton Roberts helped in advertising and other ways.

We are grateful to our mothers and friends who helped to make this sale such a splendid success.

Our last regular meeting was cut short on account of the grammar school graduation exercises. We all went.

On the same evening a number of our mothers met and worked and planned on the Festival of Youth celebration which we are to have in April.

The Cub Pack is busy practicing tumbling for an act they are to put on at the festival. They are finding out that they have a lot of muscles that are little used in their every day activities. Yes, they are all here!

Scout Edward McIntosh is heading a group of Scouts who will operate a turning lathe at the Festival of Youth, making souvenirs for the public. Work will soon begin on a "mercy-go-gallop"—an invention of Mr. Straughan, which will be introduced for the first time at our coming festival. As the name suggests, it will be an amusement device. The kiddies will have the time of their lives on it—we hope.

Quite a number of Scouts and Cubs have secured subscriptions to the San Francisco Chronicle, which entitles them to a five week swimming course at the Crystal Plunge.

Our Scout and Cub mothers and those of Girl Scout Troop No. 2 are

meeting together this evening at the home of Mrs. L. Lemon, 261 Los Olivos avenue, to work and plan for the festival. Movies of the event will be filmed as a part of the "Festival of Youth" news reel being made. There will also be a short showing of Scout and Cub films which we made in the past.

Mothers of Boy Scouts and Cubs are forming a club to meet each week to work on the festival. Thanks, Moms!

## FESTIVAL OF YOUTH TO BE BIG AFFAIR

The executive committee is composed of the following: Joseph Straughan, chairman; Mrs. L. Lemon, advertising; Mrs. John A. Mosman, secretary; and Mrs. Anthony Laston, treasurer. The ladies represent the mothers of Girl Scouts, Cubs and Boy Scouts in the order named.

The various committees are proceeding rapidly in the formation of subcommittees for handling details of this juvenile festival, which is assuming the proportions of a junior world's fair and bids fair to transcend any similar event ever taking place in Daly City.

April 23 is the date and it will be at a location yet to be selected. Mothers of the youngsters will be in charge of booths dispensing foods, lunches, refreshments and the like. The boys and girls of the three organizations will provide entertainment in the form of music, songs, skits, stunts, drills, exhibitions and demonstrations. Several guest entertainers will also be on the program, which will run almost continuously throughout the festival with a main performance both afternoon and evening.

The affair is being promoted for the dual purpose of acquainting the public with the various phases of activities of these youth organizations and for earning funds with which to carry on their work.

"A good time for everybody" is the festival slogan. Plan to come and enjoy yourself.

### Notice To Contractors

NOTICE IS HEREBY GIVEN that the VISITACION ELEMANTARY SCHOOL DISTRICT, an Elementary School District of San Mateo County, California, by and through its duly elected, qualified and acting Board of Trustees, will receive bids for furnishing all labor, materials, transportation and services for the erection, construction and completion of Alterations, Additions and Improvements to the Bayshore Public School Building, located in Bayshore City, San Mateo County, California; each bid to be in accordance with plans, drawings and specifications prepared by Thos. ### Cheyenne, Wyo. Recipes

#### FROSTED CREAMS

(From Mrs. B. H. Finkbinder)

Yolk of 1 or 2 eggs  
1 scant cup sugar  
1 small cup butter or shortening  
1 teaspoon ginger  
1/2 teaspoon salt  
1 scant teaspoon soda, dissolved in  
1/2 cup boiling water  
1/2 cup molasses  
1-3 teaspoon cloves  
Flour enough to roll out

Cream butter and sugar. Add eggs and beat well. Add soda and water. Beat. Add molasses, spices and salt. Add flour.

#### Icing

1 1/2 cups sugar  
3/4 cup milk

Boil until it threads. Add flavoring. Whip until nearly cold.

#### LIGHT ROLLS

(From Mrs. Leslie Miller)

3 cups flour  
1-3 cup butter  
1 pint sweet milk (scalded)  
1 cake compressed yeast  
2 tablespoons sugar  
1 teaspoon salt  
1 egg

Scald milk. When lukewarm add yeast, which has been dissolved in 1/2 cup cold water. Add sugar and salt. Let rise and when light add 1-3 cup butter, the beaten egg and flour to knead. Cover and let rise until light. Roll out about one-half inch thick. Shape with biscuit cutter, brush with melted butter and crease through center. Fold over and press edges together. Put in greased pan, one inch apart, and let rise until very light. Bake in brisk oven 15 minutes. This recipe can be made into finger rolls or clover leaf biscuits.

#### TOMATO CHEESE LAYER SALAD

(From Mrs. Billie Walker)

##### Tomato Aspic

1/2 can tomatoes  
1 small onion  
1 bay leaf  
1/4 teaspoon paprika  
1/2 teaspoon salt  
Package of gelatine  
2 tablespoons vinegar

##### Cheese Layer

1 package pimento cream cheese  
1 pint cream  
1 tablespoon or package of gelatine

Make tomato aspic by boiling tomatoes, onion and bay leaf together for 15 minutes. Strain and add vinegar, salt and paprika and enough water to make a pint of liquid. Dissolve a tablespoon, or 1 envelope, of gelatine. Return tomato liquid to fire and heat. Stir in dissolved gelatine. Pour into deep oblong pan about 6x9 inches. Let set. Heat cream and dissolve cheese in it. Add dissolved gelatine. Let cool. Just before it starts to set spread over the tomato aspic. When salad has become firm, serve on lettuce with mayonnaise dressing.

#### CHEESE STRAWS

(From Mrs. O. R. Ryan)

1/2 cup butter  
1 cup grated cheese  
1 1/2 cups flour  
Salt, pepper and chili powder to taste  
Water enough to make dough to roll

Roll out. Cut in strips. Sprinkle with cheese. Bake in a very moderate oven until brown.

#### CHRISTEN SMALL MISS

Arlene Joan, three months old daughter of Mr. and Mrs. John G. Callan Jr. of San Diego avenue, was christened, Sunday, at Holy Angels Church in Colma.

Miss Margaret Steele of Winchester street and Robert Callan were godparents.

In the afternoon a reception was held in honor of the young lady at the home of her grandparents, Mr. and Mrs. J. Callan Sr., of Werner street.

Gently I took that which ungently came,  
And without scorn forgave;  
Do thou the same.—Coleridge.

## Lesson Sermon Of Christian Science

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., a Lesson-Sermon will be read Sunday, January 30, on the subject "Love."

The Golden Text will be: "We have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him" (I John 4: 16). Bible selections will include the following passage from Romans 13: 8, 10: "Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. . . . Love worketh no ill to his neighbor: therefore love is the fulfilling of the law."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included, which reads as follows: "Self-love is more opaque than a solid body. In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love the adamant of error,—self-will, self-justification, and self-love,—which wars against spirituality and is the law of sin and death" (p. 242).

## Party For Pershing School Graduates

The officers and members of the General Pershing Unit tendered the 23 graduates of that school a party, Friday of last week, when R. L. Crane and Mrs. A. Brian were the honored guests.

A happy group enjoyed a tasty luncheon served at an artistically decorated table, the color scheme of which was carried out in the P. T. A. colors. Each child had a special place card and favor. Mrs. F. Thorsen, the chairman in charge, deserves much credit for the splendid time given the children who entered the Crocker School Monday of this week.

The afternoon was spent playing games.

## CHEYENNE—HOME OF EARLY RANGE

Cheyenne, the "Home of Frontier Days" and "The Magic City of the Plains," is located in the southeastern corner of Wyoming. It is the capital of the state, the county seat of Laramie County and the largest city, with a population of 23,000. The cognomen was also that of an Indian tribe which formerly roamed the vicinity. These people, originally called "Shey-an-nahs," belonged to the tribe of Algonquians, the largest family of redskins on the North American continent.

An atmosphere of romance and adventure still clings to Cheyenne, whose early pioneers relate tales of Indian raids and battles of "bad men" and vigilantes, of railroad scouts and hunters who followed vast herds of buffalo and antelope over the nearby prairies. In the early days Cheyenne was visited by notorious characters of whom "Wild Bill" Hickok and Tom Horn were probably the best known. These type of characters now live only in colorful tales or are impersonated in the annual Cheyenne Frontier Days parade.

From a tent and shanty town in 1867, the terminus of the Union Pacific Railway, this city of the range has developed into a busy cosmopolitan community of beautiful homes, excellent schools, splendid churches and nationally high rating business firms. It is the headquarters for large sheep and cattle interests and the political heart of the state. It is located on three transcontinental routes—the Union Pacific Railway, the United Air Lines and the National Trailways Motor System—and at the intersection of four important highways. It is the gateway to the Black Hills country and three national parks.

Cheyenne has the commission form of government. Three commissioners are elected, each for two years. The body is composed of the mayor, who supervises the Police and Fire Departments; a Commissioner of Finance and a Commissioner of Streets and Improvements. These three officials appoint a fire chief, a chief of police, a city engineer, a city attorney and a city treasurer.

With an altitude of 6062 feet, the place has a healthful climate with

an average maximum temperature of 57 degrees.

The water supply of Cheyenne is partly furnished from the Crow Creek water shed from storage water reservoirs of a 12,000 acre capacity and partly from an underground supply system of wells located west of the city. The total cost of the system is approximately \$5,500,000.

The Wyoming State Tribune Leader, an evening and Sunday morning paper; the Wyoming Eagle, a morning publication; the Wyoming Labor Journal, a weekly; and the Wyoming Stockman-Farmer, a monthly issued by the Tribune Publishing Company, comprise its publications. There is also a multipaged monthly issued by the Wyoming Stock Growers Association and it is called "Cow Country."

Industrial development covers the following: Railroad, governmental activities, center of sheep and cattle industry, retail and wholesale trade, repairing and overhauling of air planes at the large municipal airport.

"Frontier Days," its leading annual celebration, was first staged in 1897. It is said "What the Mardi Gras is to the South, Cheyenne Frontier Days is to the West."

Near this picturesque city is located the Wyoming Hereford Ranch, where there is found the largest herd of pure bred Herefords in the world. The Woman Suffrage Tablet, on the wall of a brick building on a corner of Seventeenth street and Carey avenues, marks the spot where the earliest territorial legislature enacted the first Woman Suffrage Law passed in the United States. The statue was approved by John Allen Campbell, first governor of Wyoming, on December 10, 1869.

For Wyoming recipes see "The Experienced Housewife Club" column elsewhere in this newspaper.

#### OIL DILUTION

Use of a rich fuel mixture as a remedy for engine knocks due to poor compression is inadvisable because a usual result is rapid dilution of oil in the crankcase.

This is because of the excessive amount of raw gasoline forced past the piston rings.

#### TSK! TSK!

"My shaving brush is very stiff," complained dad. "I wonder what's wrong with it."

"I don't know," said wifey. "It was nice and soft when I painted the bird cage yesterday."—Grit.

## OBSERVATION OF VARIOUS THINGS IN OUR CAPITAL

### We're All Invited To The President's Fifty-Fifth Birthday Party—And We Should All Attend

(By Hart Goodrich)

One of the great heroes in the fight against infantile paralysis is Franklin Delano Roosevelt, President of the United States. All the afflicted look to him for inspiration, since he experienced and overcame all the handicaps. It was at his recommendation that the Georgia Warm Springs Foundation got under way and that the great birthday ball celebration for the President began in 1934.

This novel way to combat disease was conceived by Colonel Henry L. Doherty, who has served as national chairman of the movement since its inception.

Doherty first became interested in the work after he had visited Warm Springs and had seen at first hand what the terrible disease can do to poor, helpless humanity. He realized the need of a concentration of forces to fight the plague, so he visited President Roosevelt, laid the plan before him and received enthusiastic endorsement. The result was, under Colonel Doherty's direction, that another colonel—Carl Byoirs—set up national headquarters in New York, launching a series of some 5000 parties to enable millions of Americans to join with scientists in the fight against a common enemy.

To date more than \$4,000,000 have been raised in the four series of parties. Funds are divided so that 70 per cent remains in the community where the money is raised, with 30 per cent given the President to be turned over by him to the trustees of the Georgia Warm Springs Foundation and the Research Commission. Last year fourteen groups of research workers received grants from the commission. These funds were used in development of the epochal nose sprays using picric acid—the only effective preventative

known to ward off attack of this disease.

Under present rules the birthday ball funds may be used either for infantile paralysis research or rehabilitation work. One aims at discovery of ways and means to wipe out the disease; the other has to do with the after treatment of victims.

The Birthday Ball held here in Washington is especially significant, since the President will be there in person. However, he sends a message by radio to those attending birthday celebrations throughout the country. This is one night of the year we should celebrate—not only those 55 worthwhile years of the President's life, but the advance science has made in the struggle with infantile paralysis. Remember that, at the same time we're celebrating, we're putting our shoulders to the wheel of scientific research that undoubtedly will find better ways in the future to prevent and cure a national scourge.

Let's fill the Tanforan club house to overflowing tomorrow night, Saturday, January 29.

## GRAMMAR SCHOOL NEWS OF INTEREST

### READING GROUPS REALIZE THEIR GOAL

A very complete outline of the minimum and maximum term requirements in the reading classes has been arranged for the upper grade pupils of the Woodrow Wilson Elementary School by their English and reading teacher, Mrs. Lewis. This syllabus will aid the students in their library study and will also act as a goal toward which they will strive in directing their reading activities.

This organization is in line with the modern trend which tends toward giving the child a feeling of freedom and direction which in turn carries with it personal as well as group responsibility.

### SOCIAL SCIENCE CLASS PAPER IS PUBLISHED

Much enthusiasm was displayed by the children of the high fifth and low sixth grades of the Woodrow Wilson School when their class paper, "The Sitting Desk," directed by Miss Varni, was published the last week of the fall term. The contents of the paper, which consisted of stories, poems, cartoons, current events and various columns, was written in the handwriting of the various pupils in the room. For the benefit of those whose articles were not published a "News Bulletin Board" was established in the room on which were placed the articles omitted. By this means each child was given a feeling of success.

Olga Weiss displayed originality by writing the following poem of "The Gold Rush":

The gold rush days are over,  
Of eighteen forty-nine,  
When forty-niner gold seekers came  
To California mines.

It took eight months to reach the East.

But finally it got around  
That California gold was found  
In the waters of the American river.

From the column page James Callan says: "It's a fact that—chief among the arts of the Egyptian doctors was their ability to embalm bodies of the dead. Oils, gums and spices were put in the body to preserve it." John Miletak writes a question, which asks: "Did you know that a Roman soldier said 'I found Rome a city of brick and I left it a city of marble'?"

The experience the children gained from this activity has aroused a life situation which will further lead to an interest of a similar nature.

### JEFFERSON PUPILS ARE STUDYING OYSTERS

The Jefferson eighth grade nature study group, under Mrs. Leonetti, has just completed a study of pearl producing oysters, edible oysters and their greatest enemies, the starfish and abalone.

The children have arranged an attractive exhibit of starfish, oyster shells and their byproducts, such as pearls, ground oyster shells used for chicken food and gravel paths. They also have some manufactured articles from the abalone shell such as pearl handles for knives, buttons and beads.

### DRAMATIZE PLAY

As a finale to the fall term of the Jefferson School Kindergarten, the children, under the guidance of Miss Irene Smith, have prepared their own dramatized version of "Ask Mr. Bear." The costumes, fashioned of cheesecloth, were made by the children and the scenery was also constructed by them.

The mothers of the kindergarten children have been especially invited to come this Friday morning to see the play.

### HOLLAND ON DISPLAY

The fourth and low fifth grades in Miss Blaylock's room, having finished their unit dealing with Holland, are now showing an attractive display of booklets, pictures and wooden cut-outs dealing with Holland, its people and its customs.

The covers of the booklets depict Dutch scenes that have been cleverly designed and colored by the children.

### VISIT PACKING PLANT

The fifth grade of the Jefferson School, accompanied by their teacher, Miss Sanbraillo, visited the meat packing plant of Swift & Co. in South San Francisco, recently.

As the children are studying a unit on "Food and Its Sources," they were very much interested in all they witnessed at the plant. They spent two hours there and saw how many of the 500 byproducts were processed. They also watched the meat inspectors at work and were greatly impressed by the cleanliness

## CHINESE CREW OF JAPAN BOUND SHIP STRIKE

A Chinese crew of the British freighter Federal went on a sit-down strike at a San Francisco dock recently upon learning that the ship's cargo was a consignment of steel rails bound for Osaka, Japan. The Chinese first officer, only crew member who spoke English, said, "We would be shot in Japan if we sailed there. If we escaped and reached China we would be shot as traitors." The steel will be scrapped in Japan, possibly to be made into munitions. The crew of 29 was finally sent to Angel Island, waiting transfer to another ship, bound for China direct.

## OUT OF PAST IN DRAMA POPS SAME OLD STORY

A spectacular dream of pageant proportions with special music and dances, mammoth in settings and cast, will be the next attraction at the Alcazar Theater. It starts Wednesday night, February 2, and is presented by the Federal Theater Project. It bears the title "The Sun And I."

"The Sun And I" was written by Barrie and Leona Stavits and is based

on the story of Joseph, the biblical character who, sold into slavery, won his way to the governorship of Egypt, became a dictator over the land of the pyramids and started the ancient country on 500 years of its most prosperous existence, even though he came a cropper himself and was the victim of an uprising.

"The Sun And I" is intensely interesting apart from its entertainment. It has great intellectual appeal. It draws an understandable parallel between the times of Joseph and those of today. Times then were not so different from those of today. Questions of government, earning an honest dollar and eating regularly without having to make goulash out of the wolf at the door were as paramount as they are today.

Stage settings of "The Sun And I" by Scott McLean have been beautifully executed, carrying out the idea of the ponderous massiveness of

Egyptian architecture. The costumes are authentically done in all of the flashing color and simplicity of line that marked the originals.

## Noted Musician Is Called To Beyond

Professor Eugene Goudy, a talented musician, who formerly resided on Hillcrest drive, Daly City, for about 16 years, passed away, Thursday of last week, in San Francisco, after an illness of several weeks.

On Saturday a half hour of music preceded the services at an Oakland mortuary.

Mr. and Mrs. Walter Raitt of Back Bay, Boston, brother-in-law and sister of Mr. Goudy, have been here several weeks and were with him when he passed away.

## NATIVE SONS AND DAUGHTERS SEAT OFFICERS

El Carmelo Parlor, N. D. G. W. and N. S. G. W., opened the new year most auspiciously with fresh staffs of officers headed by Miss Margaretha Schade and Mr. William Ottoni. Deputies Mrs. Jessie Leslie Han of Bonita Parlor and Mr. Bernard Dillon of Guadalupe Parlor, with their assistants effectively presented the new joint installation ceremony.

President Schade extended a welcome to the Native Sons and to all guests and thanked the Parlor for having elevated her to its highest office.

Deputy Han, her assistants and President Schade were recipients of gifts from the Parlor and friends.

A touching feature of the ceremony was that Miss Schade was invested with the regalia of her office by her mother while her father sang "The Sunshine of Your Smile."

Representing the Parlor, Mrs. Alice Oldham, chairman, presented an emblematic ring to the retiring past president, Mrs. Dolly Galway.

An unusual occurrence was the installation of the organizers of the two Parlor in the same office they first held in the order many years ago—Mrs. Pauline Quirolo as marshal and Mr. Peter Callan as past president of their respective Parlor.

The meeting concluded with dancing. Light refreshments were served by Good of the Order Chairman Mrs. Helen Meyer, and assistants.

Arrangements have been made by the drum corps for its initial whist game, to be held February 16 in Masonic Hall, Daly City.

On February 2 the Parlor will honor the members who have January and February birth dates and Mrs. Frieda Schade is formulating plans for the celebration of the twenty-eighth anniversary of the institution of the Parlor, February 26.

## Dorothy Shoppe No. 2 Opens Here

Dorothy Fensin, owner of the Dorothy Shoppe at 26 Twenty-ninth street in San Francisco, announces the opening of a new shop at 6823 Mission street in the heart of the Daly City business district.

Miss Fensin will continue to operate the lower Mission street store, while her mother, Mrs. Fell, will manage the dressmaking business out here, where styles for larger sizes will be an outstanding feature. A complete line of hosiery is also kept in stock.

Expert remodeling and alterations are Fensin guaranteed. Our community is fortunate in having such competent style engineers in their district. Miss Fensin and her mother, Mrs. Fell, are both residents of Daly City.

## USING COMPRESSION

The ignition should never be turned off while using compression to retard the car.

Turning the ignition off lessens the driver's control of the car and also may cause excessive oil consumption.

## EXAM PAPER

Asked to paraphrase the sentence, "The headmaster was highly incensed," a city scholar wrote, "The head of the school was heavily per-fumed."

## Notice Of Sale By Commissioner On Foreclosure No. 27708—Dept. 2

## Colma News Notes

Misses Linda, Mella, and Frances Rianchi of Cook street, San Francisco, were guests, Wednesday evening of this week, at the home of Mr. and Mrs. P. Valarino on Station avenue.

Mr. and Mrs. Herman Siemund announced the engagement of their daughter Louise to Mr. Leo Kusber at the happy gathering of close friends, Saturday of last week, just prior to the marriage of Miss Siemund's sister who is now Mrs. Robert M. Dennis.

Mrs. Frank Rauh and daughter Janet of San Francisco spent a pleasant afternoon, Wednesday of this week, at the home of her mother, Mrs. Fred Silicani of Washington street.

Mr. and Mrs. Angelo Rovere entertained as dinner guests at their home on Briggs street, Sunday of this week, Mr. and Mrs. George Pucci and family of San Bruno.

Carnival night will be celebrated by members of Marconi Nest No. 1787, O. O. O., and their friends at a dance to be held, Saturday evening, February 19, at Colombo Hall. There will be free confetti and serpentine for all.

Friends will be glad to hear that Mrs. Ruth Etta Lompa of Cavour street is improving, following an illness which has kept her confined to her home during the past few weeks.

A whist party, the proceeds of which will be devoted to the Colma unit of the P. T. A., will be given by Mrs. Ray Lagomarsino at her home on Eighty-eight street, Colma, Wednesday evening, February 9, beginning at 8:15. The public is extended a cordial invitation to attend. Prizes for the affair will be on display, Friday of next week, at Dave's Market on San Pedro road.

Hurt in a fight at Rockaway Beach, Tuesday evening of this week, William Elliott of Haight street, San Francisco, started driving his machine toward the Junipera Serra Hospital for medical aid. Impaired eyesight soon resulted in his colliding with another machine on the Oceanshore highway. Finally reaching the hospital, he was treated for painful head injuries, remaining as a patient there until Friday morning of this week, when he was transferred to the Veteran's Hospital.

The annual Founders' Day ceremonies of the Parent Teachers Association will be celebrated by the Colma unit at the regular meeting, Tuesday afternoon of next week, at Jefferson Hall on San Pedro road. Mrs. J. J. Grondona will be in charge of the special program which has been planned. All members are especially urged to be present.

Robert Adams, ten year old son of Mr. and Mrs. William Adams of Brunswick street, is in a serious condition at the Villa Hospital where he was taken following an accident at Brunswick street and Crocker avenue, Thursday evening of last week. Riding down Crocker, his bicycle apparently got out of control, running into the side of a moving automobile. The boy suffered internal injuries.

### NEXT DOOR

The luckless book peddler knocked and the door was opened by a grumpy-looking woman. "Have you Charles Dickens in your house?" he asked.

"No," snapped the woman. "Or Robert Louis Stevenson? Or Walter Scott?" he continued, hope dawning in his eyes. "No we ain't," said the woman. "And what's more, I don't take in lodgers. Try next door; they do."—Ashington-Collieries Magazine.

## Sport A. C. Wins From Shamrocks

The Sport A.C. defeated the Shamrock A.C., 5 to 1, at Glen Park last Sunday.

Pitcher Bill Menicucci of the winners held the losers in check throughout the game, sending 12 of their men back to the bench on strikeouts.

A few of the boys who looked good for the winners were Page, J. DeGoss, K. Heggum, Curran and Bill Menicucci.

The outstanding players for the Shamrock A.C. were DeBrune, DeBos and Turner.

The box score:

Louis E. Smith of Mission street, San Francisco, received a fractured left knee, early Monday morning of this week, when he was struck down by an auto at Mission and School streets. Treatment was given at the Villa Hospital where he was conveyed by ambulance.

Bernard Janssen, 13, of Woodrow street is recovering from a fractured left arm received, Monday of this week, from a fall while roller skating near his home. The boy was taken to the Villa Hospital, where a cast was applied.

## APPLICATIONS FOR ELECTION OFFICERS NOW BEING SOUGHT

(Continued from Page 1)

however, that a letter addressed to his office is sufficient, providing the applicant's residence address is the same shown in his affidavit of registration.

To be eligible to serve as an election officer a person must be duly registered. Any electors who have changed their residence address, or their name by marriage or court order, since they were last registered in this county, should go promptly to the nearest city clerk, county clerk's field deputy or county clerk's office and re-register.

On account of the present business recession and economic stress prevailing, Augustus desires, so far as he is able to determine, to show a preference to those who are unemployed, if qualified, and need the little financial help the county can extend in this manner.

No preference will be shown for political prestige or influence, nor will it be denied on account of party affiliation.

Applicants to receive consideration must write plainly, giving the following information:

(1) Full name (if a woman, write own given name).

(2) Residence address (showing street and number and name of street if any).

(3) State whether or not experienced as an election officer. If experienced, state whether served as inspector, judge or clerk.

Applications will be considered in the order received and lists compiled promptly, so do not delay sending in your name if you wish to serve. As there can be only six officers named in a precinct, obviously no guarantees can be made at this time and no appointments will be sent out until about August 10.

It was further stated by Augustus that any one wishing to furnish premises for a polling place should promptly write to him, giving full name, mailing address, address of

## DALY CITY CLUB IN PLAYOFF FOR LEAGUE HONORS

Home Team Now Tied For First Place In National Division With 7 Wins And 2 Lost

The Daly City baseball team will clash in an important contest, the coming Sunday, at the Seventeenth and Harrison street grounds, with the Municipal Railway club of San Francisco.

The result will decide the winner of top honors in the American Division of the Recreation Class A League. Each team, to date, has won seven games in the second half of the schedule as against two defeats. This will no doubt prove an interesting contest, as each team will be fighting hard to be declared winner of the pennant.

Every effort was made by the home management to have this game staged at the Jefferson High School diamond, but the San Francisco team refused to come here for so important a game which would decide the championship of their division in the league.

Many local fans are expected to attend and lend encouragement to our boys in their laudable effort "to bring home the bacon."

The game will be called at 2 p. m. We'll try to be there; if we can't make it—Good luck, fellows!

premises, size of room, whether or not they can furnish one large table, six chairs, lights and heat if needed, also comfort station facilities.

Persons furnishing polling places will not be appointed to serve as election officers, except in an emergency. Since there are now 240 precincts in the county to be supervised and handled by the clerk, instead of 207, as formerly under the control of the five supervisors, Augustus says he can readily see the need of early planning and preparation and urges the co-operation of all interested.

## POPULAR COLMA COUPLE MARRIED

At a colorful ceremony held, Saturday evening of last week, at St. John's Church in San Francisco, Miss Hermena Siemund became the bride of Robert M. Dennis. Both the bride, who is the daughter of Mr. and Mrs. Herman Siemund, and the groom, son of Mr. and Mrs. J. H. Dennis of Railroad avenue, are well known in Colma and have a large circle of friends here.

Miss Siemund, who was given away by her father, wore a beautiful gown of egg shell satin with a long train. A long tulle veil was held in place by a bride's cap. She carried a large bouquet of gardenias and lilies of the valley.

Miss Louise Siemund, the bride's sister, was her maid of honor; bridesmaids were Dorothea Peterson and Eleanor Hienzie; flower girls were Eleanor Benedetti and Joan Garibaldi.

The groom was attended by his best man Leo Kusber, with Edward Dennis and Paul Giusti acting as ushers.

Following the ceremony, a reception and buffet supper were held at the Siemund residence with one hundred and fifty guests attending.

On their return from a short honeymoon trip, the young couple will make their home in Colma.

## ENROLLMENT FOR JAYSEE CLOSED

With enrollment for the spring semester taken care of this week, the San Mateo Junior College starts class work next Monday morning. Freshman students will be introduced into college activities next Wednesday, when they will be welcomed at the first assembly of the term and at the Freshman reception dance, Friday evening, in the college gymnasium.

The Jaysee basketball team will open its conference season this Friday and Saturday evenings by facing the strong Sacramento five on the home court. Small in size, the Matrons are given little hope for a win over the visiting Jaysees.

Three hundred Matrons enjoyed the soph formal at the Fairmont Hotel in San Francisco in the final event of the fall semester.

While spring registering was practically completed this week, some additional new students will probably enroll next week, and nearly all classes will be kept open for several days.

Meanwhile the college evening school is getting its winter quarter well started with 62 courses open to the adult public. Fully 1200 people have already taken part in the evening school work since last September.

## Sidney-McCrae Star In Goldwyn Picture Based On Stage Hit

"Dead End," Samuel Goldwyn's film production based on the Broadway stage hit by Sidney Kingsley, comes to the Daly City Theater on Sunday, with Sylvia Sidney and Joel McCrea in the starring roles.

This powerful drama of a day in the lives of a handful of humans who inhabit a "dead end" city street, where fashionable apartment rub elbows with the squalid tenements of the waterfront, which set records in its Broadway run and was cheered from Coast to Coast, reaches even greater heights in the film version.

Sylvia is seen as Drina, the slum girl who is battling desperately to raise herself and her small brother Tommy to a better life; McCrea plays Dave, the poor architect she loves, who, in turn, loves Kay, (Wendy Barrie), who has found a way out of the slums into luxury and won't return even for love; Humphrey Bogart is seen as Baby Face Martin, the gangster with a price on his head, who braves death in the slum where he was spawned only to find that his own mother hates him and that Frankey (Claire Trevor), his boyhood sweetheart, has taken life the easiest way. Allen Jenkins is seen as Hunk, "Baby Face's" henchman, and the Dead End kids from the original New York stage cast, Billy Halop, Gabriel Dell, Bobby Jordan, Huntz Hall, Leo Gorcey and Bernard Punsley, relive their famous characterizations of Tommy, "T.B.," "Angel," "Dippy," "Spit" and Miltie.

Glenda Farrell will also be seen in "The Adventurous Blonde."

Sixty-five marriages performed by a pretended English minister have been declared illegal because of his lack of authority.

## Rabies Situation In Daly City Explained

(Continued from Page 1)

the streets, are dogs that have been vaccinated by a licensed veterinarian, or physician, and proper time has elapsed to protect them. This vaccination is good for only twelve months from the date of its injection.

Vaccinated dogs must not be allowed on the streets until at least two months have passed from date of vaccination. This is necessary because two months are required for a vaccination to "take" and to protect the animal from rabies. All dogs so treated must have a dated metal vaccination tag securely fastened to their collars.

Citizens, dog owners, and dog and pet lovers, should follow these regulations to protect themselves, the public and their animals from this dangerous disease.

All persons are warned not to handle sick animals without complete protection themselves.

The San Francisco authorities are making special efforts towards capturing any stray animals near the Daly City line, and any that may have gone over the line into San Francisco.

## Committee Serves An Italian Dinner

The last meeting held by Court St. Mary No. 1155 was a social meeting. The session was brisk with all business being disposed of quickly.

Plans were made for a number of members to attend the district initiation ceremony to be held at Pleasanton, Sunday, January 30. Every one was anxious to attend, due to the fact that Helen Rode, Grand Regent of Court St. Mary, is to be on the ritualistic team.

Mrs. Elsie Thompson and Miss Antoinette Zarconne were named as joint chairmen for the next whist to be held at Masonic Hall on February 3.

After the business meeting all members gathered in the social hall to partake of a delicious Italian dinner, prepared by Margaret Pettigrew and her committee.

When everyone had eaten, Adele Hecht sat at the piano and played all the popular Italian arias and the members sang and danced the balance of the evening.

Charles Pond, 80, a retired carpenter of Camden, N. Y., buys old pianos, and out of them makes decorative tables, desks and dining room suites, using the ivory keys for inlaid work.
